West End scored a sharp advance this morning selling up to 91 after closing yesterday at 83 bid. No explanation is offered for the gain except that the decision of the supreme court is expected in a few days since it was announced there would be a ruling in about sixty days and it is now 64 days since the case was submitted.

The following are the closing stock quotations, and the record of the day's sales, as received from the San Francisco stock exchange this afternoon by Broker H. E. Epstein:

SALOON ROBBERIES
EARLY THIS MORNING

SNEAK THIEF DETECTED AND A QUANTITY OF THE PLUNDER IS RECOVERED

Frank Smith, who has been working around town as a porter in several saloons was arrested this morning in a cabin near the Midway mine. He is charged with having robbed the Miners' bar and the Colombo bar early this morning. When arrested Smith had two bottles of whiskey and was so drunk that he could not make any statement. After sobering up in the course of a couple of hours he told Chief of Police Evans that he had entered both saloons between 3 and 3:30 o'clock and taken all the stuff he could carry away. He led the officers to a cabin in the rear of the Miners' bar where 15 bottles of whiskey and 3 boxes of cigars were recovered. The officers also secured a quantity of punch board prizes consisting of watches, fobs carrying \$250 gold coins and other cheap jewelry.

An inventory showed that the Miners' bar lost 20 bottles of whiskey, 3 boxes of cigars and several watches and a gun. The Colombo bar suffered only the loss of fobs, chains and a small sum of money. The Miners' bar was also minus \$13 taken from the cash register in silver and 1 cent pieces, which was found upon the prisoner. Smith broke into both places by smashing a window in the rear and then going out of the back door.

BURGLAR CONFESSES
TO LAS VEGAS THEFT

MARCO FORT ADMITS TO SOME PETTY STEALING BUT DENIES DOING BIG WORK

Marco Fort, who was caught in the change room of the Jim Butler, is proving a monumental liar but in one case at least he told Chief Evans the truth. This is about having robbed the room of a woman who lived in the same hotel in Las Vegas where he did and took a ladies' watch, chain and bracelet. He denies having been mixed up in any robberies in Goldfield or Tonopah but, since some of the jewelry found in his pockets has been identified by miners on the Clermont, no attention is paid to his disclaimers. He will be held for further investigation.

OVERHEATED STOVE THE CAUSE

Fire due to an overheated stove called out the fire department at 1:30 this afternoon to the cabin of Joe Steptik on California street. The balloon ceiling was destroyed and a chemical stream saved the house. Loss \$50.

STOPPED AT TRAIN
BY SEARCH WARRANT

COUPLE SUSPECTED OF IMPLICATION IN A ROBBERY SEARCHED WITHOUT RESULTS

Bert Alice, a miner rooming at the Casino, was robbed yesterday of \$70 in currency and two postal notes for \$200 which he had left under the bedding in his room. On returning to look for the effects he could not find them and reported the matter to Chief of Police Evans. Yesterday afternoon Mrs. Tachella who had been employed as chambermaid at the Casino, drew her time and bought a ticket for herself and husband to Reno. The couple were taken to the police station where they were searched without disclosing any evidence of the stolen goods. The woman was subjected to the closest scrutiny by two women who were impressed into service by Evans.

Payment of the postal certificates has been stopped by the Manhattan post office from which they were issued.

MIDWAY VEIN LARGER
THAN FIRST REPORTED

The huge Midway ledge opened ten days ago is proving one of the greatest ore bodies in the camp so far as magnitude is concerned. Last week the management thought the footwall had been reached and proceeded to drift but soon discovered that there had been reached and proceeded totered the course of the vein and the crosscut was continued until now it is out 29 feet without evidence of the wall.

WESTERN UNION MUST
PAY FOR CARELESSNESS

(By Associated Press.)
SAN FRANCISCO, Apr. 28. — The failure of the Western Union Telegraph company to deliver a message within the time guaranteed resulted in a judgment for \$11,250 and interest since 1907 being handed down against the telegraph company by Federal Judge William C. Van Fleet.

The plaintiff's in the suit were William Lange, Jr., and J. W. Hastings, who had deposited a check with a Yerington, Nev., bank as part payment for shares in a mine, which was to be delivered May 1, 1907.

Engineers reported to Lange and Hastings that the mine was worked out and they telegraphed the bank not to make delivery of the money. The telegram was filed April 29, 1907, and the company agreed to deliver it before banking hours May 1st. It was not delivered until May 2d and the money was paid out in the meantime.

Returning from Goldfield by auto, the bridal party was met by a surprise party in five machines at the Gold Mountain summit and escorted into Tonopah. Mr. and Mrs. Taylor left this morning for the coast on their honeymoon trip. They will reside here permanently.

CUPID LEADS CAPTIVE
MAN FROM TONOPAH

Miss Zetta Allen and Louis Ross were married in San Francisco on Tuesday, April 18. The ceremony, though a quiet pre-Easter affair, was a very artistic one. Near relatives and a few close friends attended the ceremony.

Mr. Ross is well known in Tonopah as he has lived here for a number of years and is employed at the West End Mining company. He is prominent in I. O. O. F. circles. His many friends will be surprised to learn that he has become a benedict, although the engagement has existed for a number of months.

Mr. and Mrs. Ross are spending their honeymoon at the San Diego fair and other southern California resorts, after which they will return to Tonopah where they will make their future home.

LUTHERANS ARRANGE
FOR A CELEBRATION

COMMEMORATION OF MARTIN LUTHER'S DEFECTION FROM THE KAMAN CHURCH

(By Associated Press.)

NEW YORK, Apr. 28. — Four million Lutherans in America are laying broad plans for a commemoration next year of the Reformation, the Rev. Howard R. Gold, executive secretary of the joint Lutheran committee on celebration of the Quadri-Centennial of the Reformation, told the Lutheran society at a dinner here last night. Mr. Gold outlined the committee's plans and discussed the leading features of the commemoration. The Lutherans in this country will be in communication with "the 76,000,000 Lutherans the world over" in carrying out the project, he said.

"On October 31, 1917, it will be 400 years since the Reformation took a definite beginning with the nailing of the now famous ninety-five theses upon the Wittenberg church door," Mr. Gold said. "Already active preparations are under way for an appropriate and constructive commemoration of the event. The Reformation is an established historic fact and Martin Luther's place as the leader among reformers is fixed. The observance of a religious leader is almost coincident with the tercentenary of a great genius in literature, Luther and Shakespeare are men worthy of chief places among those who have served their fellowmen well. Opinions may differ in a degree about such leaders but on anniversary occasions all men are in a mood to appreciate."

PRESBYTERIAN MUSICAL

Owing to the fact that a great many people were unable to get into the church last Sunday night and as many requests have been made, the choir will repeat the sacred cantata, "The First Easter," at the Presbyterian church next Sunday night at 7:30.
